REPORT OF COUNTY COMMISSIONERS

To the Citizens of Grafton County:

In accordance with the Public Laws of the State of New Hampshire the Commissioners of Grafton County herewith present the annual report of the Commissioners, Treasurer, Auditors, Superintendent of County Farm, Jailer, Clerk of Court, Solicitor, Sheriff, Chaplain, Physician, and Farm Bureau.

Our Treasurer, Harry S. Huckins, has again succeeded in collecting all taxes for the year 1941. This is the sixth consecutive year that all taxes have been collected. Good work, Harry.

Register of Deeds

The 1939 Delegation appropriated \$2,600.00 for the year 1940 for indexing Register of Deeds records for five years, from 1935 to 1939 inclusive. Up to December 31, 1940 there had been spent for this work \$1,767.00 leaving a balance on hand of \$833.00. This work was completed in 1941 at an additional expense of \$571.00, making a total expenditure of \$2,338.00 or \$262.00 under the amount appropriated.

Care and Supply of Court Houses

During the year a new boiler was installed in the Woodsville Court House, replacing two boilers which formerly were required to heat the building and which had outlived their usefulness and were in a dangerous condition. This should result in a saving of fuel.

Superior Court

The total Court expense for the year 1940 was \$24,995.03 as against \$23,077.35 for the year 1941 or a decrease of \$1,917.68.

This expense for 1941 of \$23,077.35 is \$1,922.65 under the amount appropriated.

County Farm

The number of inmates cared for at the farm shows a slight decrease over the year 1940, which together with the increased cost of supplies accounts for the per capita cost increase from \$5.34 to \$5.99.

The hospital as usual has been well filled. It provides proper care and comfort of those requiring hospitalization and is a real financial asset to the County.

The buildings connected with the farm are in first class condition due to the fact that repairs are

made as needed.

For the excellent condition of affairs at the farm we are indebted to Superintendent and Mrs. J. E. Andrews and the continued efforts of their assistants.

For details covering administration of the institution we would refer you to the Superintendent's report on other pages.

Welfare and Relief

The care of Poor not on the Farm shows a substantial decrease of \$26,887.05 over the year 1940 including Board and Care of Children. Aid to Soldiers and Welfare Administration expenses. At the present time there are no able bodied people on relief except where assistance has to be given in case of sickness.

Old Age Assistance: This shows a substantial increase in the amount of \$2,944.64 over the year 1940. A detailed statement of Old Age Assistance is shown on another page of the report.

Finances

The county tax for 1941 amounted to \$187,615 as compared with the 1940 tax of \$221,393 or a decrease of \$33,778 and we have been able to stay well within this amount showing a cash balance of \$11,432.52 on hand December 31, 1941. This amount will be used to reduce the 1942 tax.

The net debt of the county on Dec. 31, 1940 was \$87,458.11 and on Dec. 31, 1941, \$67,250.45 or a decrease of \$20,007.66, which leaves the finances of the County in the best of shape.

The Commissioners wish to extend their thanks to the various County and Town officials and all others for their assistance in carrying on the work of the County.

The Commissioners extend to the people of the County of Grafton and the public in general a hearty and sincere invitation to visit and inspect the Grafton County Farm. The former is especially urged to do so as it is their Farm and an institution in which they alone should be interested.

Respectfully submitted.

Commissioners: GEORGE A. PUSHEE,
 FRED PARKER,
 JOHN GADD.

All of the crops suffered from the effects of the early drought of 1941. The hay and potato crops were especially below those of previous years. However, we hope to have enough to carry us through the year.

Necessary repairs were made during the winter and spring months. These repairs consisted of the application of paint on the interior of the buildings. As usual, the work was done by the Inmates and House of Correction help.

There have been several changes in the working staff, both in the Almshouse and Hospital. Mrs. Land and Mrs. Little resumed their duties here and Miss Annie Johnson, R. N., has had charge of the hospital work. Both Departments have gone along very smoothly.

The family has been smaller than for several years, due perhaps to shortage of labor on outside farms.

As in previous years our outside friends have been generous with gifts of magazines, books, candy, flowers and many other articles which have added much to the happiness and comfort of the family. To these contributors we extend thanks and assure them that their efforts have been appreciated.

In closing we wish to extend our appreciation to the County Commissioners, County Physician, Chaplain and Employees for their kind co-operation during the year.

Respectfully submitted,

J. EARLE ANDREWS, Supt.
ANNE M. ANDREWS, Matron

We hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the year ending December 31, 1941 and find them correctly cast and properly vouched.

Recommendations

I wish to call attention to the fact that the policy established by this department of cooperation between local, sheriff's, and New Hampshire State Police departments has resulted in a higher efficiency in investigation and prosecution, than we have ever enjoyed. A continuance of cooperative effort is sought and recommended by this office.

I take this opportunity to express appreciation for the support and cooperation given the Solicitor's office by the members of all departments doing business in Grafton County.

I further call attention to the fact that during the past year the Massachusetts State Police Department has on several occasions extended all courtesies of their laboratory and experts for our use without charge and I believe this kindness should be appreciated by the tax-payers of Grafton County. A conservative estimate of the approximate cost of the work done by the Massachusetts State Police for us would be three thousand dollars, if we had hired individual experts.

Every effort is being made to give the tax-payers of Grafton County the highest degree of efficiency at the lowest cost.

Respectfully submitted,

HAZEN K. STURTEVANT,
County Solicitor.

CHAPLAIN'S REPORT

To the Commissioners of Grafton County:

Honorable Sirs:

To be associated with you and the personnel of the Grafton County Farm and Hospital is indeed a great privilege. I find everyone most cordial, considerate and cooperative.

Preaching services are conducted in the chapel every other Sunday. These services are attended by most of the inmates or perhaps by all the inmates who are able to attend. I am splendidly assisted in these services by a choir composed of inmates, with Mrs. Hazel MacDonald, Mrs. Little and Mrs. Land helping out at the piano.

It was a joy to attend the Christmas tree program at which time the Adult and Junior choirs from my church at North Haverhill sang the carols. After the program came the distribution of gifts and everyone received a gift, also popcorn balls and candy. It was certainly a happy evening.

Superintendent and Mrs. Andrews are deserving of the highest praise for their many deeds of kindness, their sympathy and apparent understanding of the needs of this great family, entrusted to their care.

I have conducted three funeral services this year and visited the sick in the Hospital.

My ministry has truly been enriched by the associations, the personal touch, and seeing perhaps as never before, the great opportunity to render service to those who are less fortunate than ourselves.

R. W. E. MacKENZIE,
Chaplain.

REPORT OF COUNTY PHYSICIAN

To the Commissioners of Grafton County:

I herewith submit my report for the year ending December 31, 1941.

Under the efficient management of Superintendent and Mrs. Andrews the Hospital has continued its splendid work in caring for the indigent sick of Grafton County, and its usefulness becomes increasingly apparent year by year.

The utensil and water sterilizer units and the Castle light for the operating room which have recently been installed, have added a great deal to the usefulness of the Hospital in all surgical cases.

It has been the aim of your Physician and the staff of nurses to give each patient the best care possible. Consulting Physicians have been called in and special nurses employed when necessary.

The Hospital is always ready to receive emergency cases, but before they are sent in one of the Commissioners should be consulted whenever possible.

It has also been my duty and privilege to care for the health of inmates of the Almshouse, and those who have been confined in the House of Correction and the Jail, and it has been my purpose to administer to them with a consciousness of being a public servant and to give to all the best possible care and consideration.

I desire to express my appreciation for the counsel of the Commissioners and for the cooperation of all those who have worked in the Hospital.

Respectfully submitted,

E. M. MILLER, M. D.

County Physician
